PROFESSIONAL SUMMARY

An accomplished Electrical Engineering Professor and Technical Researcher with over 9 years of teaching experience. Combines deep domain expertise in Electrical and Electronics Engineering (EEE) with rigorous upskilling in Full-Stack Software Development, Cybersecurity, and AI/ML Engineering. A proven record of innovation featuring 2 published patents, multiple Scopus-indexed research publications, and an upcoming technical textbook. Expert in leading academic operations, institutional accreditations (NBA/NAAC), and implementing Outcome-Based Education (OBE) frameworks.

TECH STACK & CORE SKILLS

- **Programming Languages:** Python (Advanced), JavaScript (Full-Stack), Java (Basics), web development and deployment, MATLAB
- **Specialized Domains:** Artificial Intelligence & Machine Learning, Cyber-Physical Systems, Cyber Security, Smart Grid Technologies, Internet of Things (IoT), Big Data Analytics
- **Academic Core:** High Voltage Engineering, Power System Analysis & Protection, Microprocessors & Microcontrollers, Control Systems, Digital Logic Design
- **Institutional Operations:** Outcome-Based Education (OBE), Curriculum Design, Exam Branch Coordination, NAAC/NBA Accreditation Documentation

PROFESSIONAL EXPERIENCE

Assistant Professor–Department of Electrical Engineering (AI & ML)

Sandip Institute of Technology and Research Centre (Sandip University), Nashik, Maharashtra
June 2025 – May 2026

- Delivered specialized courses bridging heavy electrical engineering with computational intelligence, including *Artificial Intelligence Techniques* and *AI-Based Web Design*.

https://drive.google.com/file/d/1kQQ39YCL-o0eyFySFIgzR0qddAOVe5Ch/view?usp=sharing

Assistant Professor – Department of Electrical & Electronics Engineering

Guru Nanak Institute of Technology(Autonomous), Ibrahimpatnam, Hyderabad

February 2023 – January 2025

- Taught core undergraduate engineering subjects and guided graduation project groups.
- Managed automated tools for continuous student assessments, grading workflows, and classroom operations.

Assistant Professor – Department of Electrical & Electronics Engineering

Malla Reddy Engineering College for Women (Autonomous), Secunderabad

July 2022 – February 2023

- Led academic instruction, micro-mentoring programs, and structured laboratory assessments.
- Contributed actively to internal department committees preparing for structural university audits.

Senior Assistant Professor – Department of Electrical & Electronics Engineering
Aditya College of Engineering, Surampalem, Andhra Pradesh

November 2019 – July 2021

- Provided senior-level instructional delivery for advanced PG and UG courses.
- Structured curriculum changes to better incorporate simulation tools like MATLAB within lab protocols.

Assistant Professor – Department of EEE

Vignan's Institute of Information Technology (Autonomous), Visakhapatnam, Andhra Pradesh
March 2015 – November 2019

- Administered core academic workloads alongside critical operational responsibilities, serving as the NBA coordinator and department Time-Table planner.
- Spearheaded institutional accreditation data compilation (NBA & NAAC files).

AWARDS & MILESTONES

- **Institutional Recognition:** Awarded **pratibha Award** (2016-17) for academic excellence at VIIT, Visakhapatnam.
- **State & National Qualifications:** Qualified in **GATE 2014** and secured official research eligibility via **APRCET 2018** for doctoral admission.
- **University Ratifications:** Officially ratified as faculty member by **JNTUH** (October 2022) and **JNTUK** (October 2015).

Conferences attended

- Presented a paper on "System knowledge for digital twin technologies in Industry 4.0 and Industry 5.0" in "5th international E-conference on mechanical and material science Engineering : innovation and Research (ICMMSE:IR)" organized by the Department of mechanical Engineering , Sandip Institute of technology & research Centre, Nashik, Maharashtra during 27th and 28th of Febrauary 2026
- A two day national conference on" Recent Trends in Electrical and Electronics Engineering(RTEEE)" held at Vegan's Institute of Information Technology on 14th and 15th of April 2017. Presented a paper on" Transient Stability Improvement of SMIB using DPFC"

https://drive.google.com/file/d/1L656Koqr52iOOSzT1Rm0PEqkK4n4Vfun/view?usp=sharing

- presented a paper titled " Cyber Security in smart grids- Role of Digital Advanced devices" A Two Day National Conference on the theme "Green and Resilient Energy Systems" GVCON-2K22, conducted by Electrical & Electronics Engineering Department, Gayatri Vidya Parishad College of Engineering (Autonomous), Visakhapatnam during 21st to 22nd October, 2022.

Strengths

- ✓ Possess good written and verbal communication skills
- ✓ Ability to generate effective teaching by making use of various methodologies
- ✓ Possess 9 years of professional experience (After M.Tech) in teaching Electrical and Electronics subjects.
- ✓ Possess good time management and organizational skills
- ✓ Proven track record of guiding and motivating student
- ✓ Exposure of Higher Education system in different regions.
- ✓ Ability to carry out tasks with minimal supervision with positive attitude
- ✓ Having a good knowledge of OBE and Teaching Learning process
- ✓ Handled Department Examination branch and related activities
- ✓ Handled department accreditation related file preparation works
- ✓ Sincerity and Punctual
- ✓ Good grasping power, Confidence
